Class Name	Instructor(s)	Friday					Saturday									Sunday				
		Lunch	1300-1400	1400-1500	1500-1600	1600-1700	0800-0900	0900-1000	1000-1100	1100-1200	Lunch	1300-1400	1400-1500	1500-1600	1600-1700	0800-0900	0900-1000	1000-1100	1100-1200	Lunch
WAC Requirement																				
Basic & Intermediate Helicopter - Combined	Pilots of the King County Air Unit				T1		T1					T1								
Basic & Intermediate Helicopter - Combined	B. Peterson													T1				T1		
Crime Scene Awareness	King County Homicide Detectives								T2			T2				T2				
Crime Scene - Outdoor Crime Scenes	K. Taylor		T2																	
Map & Compass - A Survey	B. Winslow		T3						T3			T3				T3				
SAR Techniques - Search Theory for Searchers	T. Copes		T5						T5					T5						
SAR Techniques - Urban Search Operations	R. Smith											T13				T13				
SAR Survival - SAR Team Survival	J. Carlson, K. Carlson																	T4		
SAR Survival - 24 Hour Pack	J. Carlson, K. Carlson															T4				
SAR Survival	S. Brothers, Et. Al.				T4		T4							T4						
Disaster																				
SAR & Citizen Corps (CERT): Advantageous Partnering	J. Downs		TBD																	
Community Preparedness for Pets	I. Gibson													T2						
Disaster Preparedness for Horses	I. Gibson								T4											
Katrina Response, Puget Sound USAR Task Force	D. Hudson				T5							T5								
Katrina and Rita, The Canadian Experience	D. Black						T5											T5		
Animals in Disaster and Post-Katrina Lessons	I. Gibson															T1				
Dogs																				
Animals in Disaster and Post-Katrina Lessons	I. Gibson															T1				
Avalanche Dog Search and Training Considerations	K. Fitch, R. Gibson			T12											T12			T9		
Basic K-9 First Aid	J. Wieringa															T10				
Common Toxic Exposures for Working SAR Dogs	R. Meyer							T6												
Community Preparedness for Pets	I. Gibson													T2						
Court Testimony - Subpoena	A. Rebmann, L. Burne				T10													T15		
Disaster Dog Training	J. Bushway-Speer									T6										
Dog Meet 2006 (SAR Dog Conference)	B. Ramey						T6													
K-9 Handler Ethics	A. Rebmann		T14																	
K-9 Nutrition	J. Wieringa				T9													T6		
K-9 Orthopedic Injuries	P. Chauvin		T4																	
K-9 Water Search Strategy	D. Tirmenstein											T4								
Problem Solving For Dog Handlers-Passing the Cert Test	M. Koenig						T7													
Scent Flow Through Snow	J. Aspnes, J. Aspnes				TBD									TBD						
Training a Sensational Refind for Airscent Dogs	M. Koenig								T7											
Training the Reliable Start for Trailing Dogs	M. Koenig											T7								

Management																					
Animals in Disaster and Post-Katrina Lessons	I. Gibson															T1					
Aviation Emergency Service	T. Peterson																	T2			
Avoid Legal Trouble: Procedural Guidelines for SAR Managers and Responder	S. Ward								TBD				TBD								
Child Abduction/Homicide	M. Thompson								T13									T13			
Geographic Information Systems (GIS) In Search And Rescue	E. Cornell, D. Heth		T7											T7							
ICE-SAR and Area Command Concept	D. Brynjarsson				T3		T3														
Incident Commander V5	M. Colwell			T14						T14											
K-9 SAR Resources for Search Managers	K. George		T8				T8														
Lessons Learned? - The Gross Anatomy of Repetitive Errors in Rescue	T. Clausing			T15									T15				T15				
Lost Person Behavior, Washington Data	R. Koester											T12				T12					
Personal Locator Beacons	C. Bond, T. Peterson		T12							T12									T12		
Preparing and Presenting Training	L. McBeath-Davies		T15									T15									
Probability Profile Mapping - A New Perspective On Search Planning	M. Colwell					T7						T6									
Project Lifesaver Awareness	B. Sandefur						T14									T14					
Radio Tracking Your SAR Teams	C. Mills, H Gerhardt				T12				T12									T12			
SAR & Citizen Corps (CERT): Advantageous Partnering	J. Downs		TBD																		
SAR Interviewing	G. Varney													T3				T3			
SAR Standards, National Criteria to Local Implementation	J. Chaffey, K. Rowe						T13							T13							
SAR-Link and Hofsjokull Glacier Mission	F. Gudmundsson				T14							T14									
Search Techniques for Outdoor Leaders	P. Green				T9																
Swiftwater Rescue Techniques for SAR Managers	P. Green													T12							
Team Adam	P. Burke								T8									T8			
Urban Environment SAR Techniques	C. Young						T11							T11							
SAR Techniques - Urban Search Operations	R. Smith											T5				T5					
Which Way'd He Go? (Defining the Search Area)	H. Dougher		T1						T1												
Crime Scene																					
Crime Scene - Outdoor Crime Scenes	K. Taylor		T2																		
Forensic Entomology	B. Marshall						T10							T10							
Bone Identification	K. Taylor							T10							T10						
Court Testimony - Subpoena	A. Rebmann, L. Burne				T10													T15			
Horses																					
Current Status of Mounted SAR National Standards	J. Downs																	T6			
Disaster Preparedness for Horses	I. Gibson								T4												
Mounted Transport and Evacuation	J. Downs					TBD		TBD													
Horse and Mule Packing	S. Thomas, J. Wardlaw, R. Wardlaw				T15		T15														
Effective Use of Mounted Resources in SAR and Disaster	J. Downs													T6		T6					
Technology																					
Geographic Information Systems (GIS) In Search And Rescue	E. Cornell, D. Heth		T7											T7							
Getting started with GPS	R. Hood		T6																		
Getting started with Maptech	R. Hood			T6																	
GPS Clinic	E. Robison													T14				T14			
Incident Commander V5	M. Colwell			T14						T14											
New Maptech Tools and Techniques	R. Hood				T6																
Personal Locator Beacons	C. Bond, T. Peterson		T12							T12									T12		
Project Lifesaver Awareness	B. Sandefur						T14									T14					
Radio Tracking Your SAR Teams	C. Mills, H Gerhardt				T12				T12									T12			
Selected Intermediate GPS	R. Hood					T6															

Ground SAR																				
Mountain Bike in SAR	M. Demong, K. Sudyk, N. Keeler,		T9									T9								
Probability Profile Mapping - A New Perspective On Search Planning	M. Colwell					T7						T6								
Roughland Evacuation	S. Larsen, J. Larsen				T8							T8								
Safely Searching Riverbanks	D. Watt						R1												R1	
SAR Personal Emergency Survival Kit	R. Wilfong												T11			T11				
Search Techniques for Outdoor Leaders	P. Green				T9															
SAR Techniques - Search Theory for Searchers	T. Copes		T5						T5					T5						
Urban Environment SAR Techniques	C. Young						T11							T11						
Navigation																				
Getting started with GPS	R. Hood		T6																	
Getting started with Maptech	R. Hood			T6																
New Maptech Tools and Techniques	R. Hood				T6															
Selected Intermediate GPS	R. Hood					T6														
GPS Clinic	E. Robison													T14				T14		
Natures Compass	D. Witke						T9							T9		T9				
Medical																				
Hypothermia - Latest Field Recognition and Treatment	D. Watt				T7										T8					
Nutrition for the Search and the Long Haul	B. Koenig			T10									T10							
Emergencies, Essential Drugs & More	S. Lavin											T10					T11			
Adapting to a Mountaineering Environment	S. Lavin						T2											T11		
Wilderness Medicine - Concepts & Context	N. Runions					T15			T15					T15		T15				
Mechanized SAR																				
4x4 & Winch Use in SAR	F. Knight, E. Honcoop								T10									T10		
Mountain Bike in SAR	M. Demong, K. Sudyk, N. Keeler,		T9									T9								
Road Search	C. Dunnavant, J. Peters													T8			T8			
Swiftwater																				
Swiftwater Rescue - Functioning Effectively in this Dynamic Environment	L. Criminale							T15		T15										
Safely Searching Riverbanks	D. Watt						R1												R1	
Swiftwater Rescue Techniques for SAR Managers	P. Green													T12						
General																				
Adapting to a Mountaineering Environment	S. Lavin						T2											T11		
Amateur Radio Operator (HAM), Technician Class License Testing	C. Jackson, S. Van Wambeck, G. Krantz															T7				
Aviation Emergency Service	T. Peterson																	T2		
Court Testimony - Subpoena	A. Rebmann, L. Burne				T10													T15		
Interview and investigation-Techniques for Responders	C. Young				T11				T11											
Introduction to Animal Sheltering	I. Gibson		T11																	
Katrina and Rita, The Canadian Experience	D. Black						T5											T5		
Katrina Response, Puget Sound USAR Task Force	D. Hudson				T5							T5								
Nutrition for the Search and the Long Haul	B. Koenig			T10									T10							
SAR Interviewing	G. Varney													T3				T3		
Survival Psychology	K. Witke								T9											
Tracking	J. Hardin							R1				R1				R1				
Urban Environment SAR Techniques	C. Young						T11							T11						
Victim Psychology	P. Hawthorne			TBD								TBD				TBD				
WA State Emergency Worker Law	C. Long														TBD		TBD			
Personal Rope Rescue Technique	J. McNutt, P. Smith					T2	TBD											TBD
